PRESIDENT: The question is the adoption of the Chambers amendment to the bill. Record your vote. Please vote. Have you voted? Record.

CLERK: 11 ayes, 13 nays and 25 not voting.

PRESIDENT: Motion fails.

CLERK: Now Mr. President, do you wish to take up your other amendment?

SENATOR CHAMBERS: I'll try another day, I'll let that go for now.

SENATOR DWORAK: Mr. President, I move that LB 311 be advanced to E & R for advancement.

PRESIDENT: Discussion? All those in favor say aye, contrary nay. Bill is advanced.

CLERK: 508 Mr. President, the....The E & R amendments have been.....what is this? Senator Schmit returned it to Select File for specific amendment. Oh, Senator Murphy returned it to Select File for specific amendment and that amendment....Mr. President the bill was returned to Select File by Senator Murphy on a motion by Senator Murphy for a specific amendment offered by Senator Murphy.. There is now a substitute motion I think by Senator Schmit and in that event the bill would have to be advanced and returned for the Schmit specific amendment.

PRESIDENT: We will stand at ease until the two Senators tell us what is to be done.

SENATOR MURPHY: Senator Murphy has something that he would like to add to that. I suggest that we lay it over until we can take a look at it. I haven't seen it before. If I may I would like to lay it over until tomorrow.

PRESIDENT: Is there an objection? Senator Goodrich do you object to Senator Murphy's asking for unanimous consent to lay it over.

SENATOR GOODRICH: No, I just want the Clerk to tell us what page the amendment is on. I have seen it printed in the Journal but....

CLERK: Mr. President there are two amendments one is offered by Senator Schmit is found on page 1653, but that amendment is not properly before the House. There is another amendment offered by Senator Murphy on page 1608 which is the only one properly before the House.

PRESIDENT: Seeing no objection, the bill will be laid over.

CLERK: Mr. President, is 508 to be laid over?
